Sentencing & Post Sentencing Issues **(with some criminal law updates)**

By Wayne Gleeson

The 2019 HSC Crime question returned a mean of **6.40/15**, the second lowest mean for this current syllabus. In light of this Wayne will explore a number of issues in the sentencing and post sentencing area of the syllabus. Many sections of Sentencing and Punishment have direct post sentencing implications. Wayne will also cover some important criminal law updates including legislation, case law and statistics.

There will also be an opportunity to ask questions.
